

Convening of the Cores Event Map

Map Legend

- Sponsor Booths
- Resource Booths
- Core Facility Booths

Sponsor Booths

- A. ONI
- B. Carl Zeiss Microscopy
- C. LifeCanvas Technologies
- D. Evident Scientific
- E. 10xGenomics
- F. ThermoFisher
- G. Bruker

Resource Booths

- M. Massachusetts Life Sciences Center
- R. Registration Table

Core Facility Booths

1. Central Microscopy Facility, Marine Biological Laboratory
2. Brandeis Shared Instrument Facilities - Waltham, Brandeis University
3. Spatial Technologies Unit, Beth Israel Deaconess Medical Center
4. UMass Chan SCOPE, UMass Chan Medical School
5. Cryo-Electron Microscopy Core Facility, UMass Chan Medical School
6. Imaging and Structural Characterization, UMass Amherst
 - a. Light Microscopy, Electron Microscopy, Animal Imaging, Raman/IR Spectroscopy
7. Biotechnology, UMass Amherst
 - a. Mass Spectrometry, NMR, Biophysical Characterization, Flow Cytometry
8. Human Health and 3D-Printing, UMass Amherst
 - a. Cell Culture, Center for Human Health Monitoring, hMRC, AddFab
9. Northeastern University Mass Spectrometry Facility, Northeastern University
10. UMass Lowell Core Research Facilities, UMass Lowell
11. UMass Boston Research Core Facilities, UMass Boston
 - a. CPCT Genomics & Flow Cytometry Core Facilities
 - b. Biophysical Instrumentation Core Facility
 - c. Proteomics Core Facility
 - d. AI Core Facility
 - e. FESEM Imaging & Electrochemical Materials Characterization Core (FEMCC)
 - f. Environmental Analytical Core Facility
 - g. Animal Resources Core Facility
12. Cores at MIT
 - a. CryoEM Facility at MIT.Nano
 - b. Nanotechnology for Integrated Biology (NanoFIB, formerly Nanotechnology Materials)
 - c. Data Science and Multimodal Integration (Formerly Bioinformatics)
 - d. Nanowell Cytometry Platform
 - e. BioMicro Center
 - f. Preclinical Imaging & Testing
 - g. Zebrafish Core Facility
 - h. High Throughput Sciences
13. Living Tissue Bank, Massachusetts General Hospital (MGH)
14. Massachusetts Host Microbiome Center (MHMC) and Crimson Core (Biospecimen Core), Brigham and Women's Hospital
15. MassNano Nanoparticle Characterization Facility, Beth Israel Deaconess Medical Center
16. Worcester Polytechnic Institute (WPI)
17. IMPACT2: Immunotherapy Platform for Antibody & CAR Therapeutics & Translation, Dana-Farber Cancer Institute
18. DAMP Lab, Boston University
19. Brigham Research Imaging Core (BRIC), Brigham and Women's Hospital
